Cadastrar

This screenshot shows a Flutter mobile application's sign-up screen. At the top, it displays the current time (13:22), signal strength, and battery level. Below this, there's a back button labeled "Voltar". The main heading is "Crie sua conta" (Create your account) with the sub-instruction "Preencha seus dados para continuar" (Fill in your data to continue). There are four input fields: "Nome Completo" (Full Name), "E-mail" (Email), "Senha" (Password), and "Confirmação de Senha" (Confirm Password). A note below the password field specifies that the password must contain at least 8 characters, including one number and one uppercase letter. A "Cadastrar" (Register) button is located at the bottom.

Criar conta

This screenshot shows a Figma wireframe for a sign-up screen. At the top is the Nordus Barbearia logo. The title "Criar Conta" (Create Account) is centered above the form fields. The fields are arranged in pairs: "Nome" (Name) and "E-mail" (Email), "Celular" (Cell Phone) and "Data de Nascimento" (Date of Birth), "Senha" (Password) and "Confirmação de Senha" (Confirm Password). Each field has a placeholder text. A large orange "Criar conta" (Create account) button is positioned at the bottom right. The wireframe uses a light gray background and rounded rectangular shapes for the input fields.
